

BuddyPhones®

SafeAudio for Kids

Galaxy

The BuddyPhones Galaxy is the world's first safe audio headset for young gamers. It is designed specifically to keep kids safe and comfortable for gaming sessions. It comes with an adjustable, foldable headband with anti-allergic cushions that won't irritate young ears. The main gaming feature is a high performance beam mic that connects to the headset with the detachable BuddyCable. The BuddyCable has a stackable audio jack for multiple players to plug into one device. The Galaxy comes in two fun colors and a custom illustrated sticker set based on popular games. With great features and volume-limiting circuitry, this headset is the perfect buddy for young gamers.
